

GOLETA SELECT FUND Series F

A sub-fund of Goleta, S.C.A. SICAV-RAIF Luxembourg

Fund Fact Sheet November 30, 2020

Objectives: The sub-fund predominantly seeks capital preservation in the mid-to-long term, obtaining consistent and superior investment returns. The strategy is based on the modern portfolio theory (MPT), pursuing the best way to invest considering the potential risk-reward relation. The Sub-fund only invests in well-known exchange traded funds (ETFs) and managed Funds worldwide. These must comply with the investment policy of the Sub-Fund. The portfolio contains a broad range of underlying assets including equities, bonds and alternative investments. The investment strategy is continuously and thoroughly revised and rebalanced according to changes in analysis results, market condition and risk and return parameters and objectives.
